

I, Brent Mattingly, supervised Emily Pellowe's and Angier Cooper's undergraduate research project and reviewed the resulting manuscript being submitted to *UJOP*. My *role* was co-author and sponsor. I attest that the *undergraduate authors primarily executed the project*. The research was conducted in *adherence to APA ethical standards*. The *undergraduate students also wrote the manuscript* submitted. I *reviewed and critiqued the manuscript* on content, method, APA style, grammar, and overall presentation prior to submission to *UJOP*.

In support of *UJOP's* commitment to developing and maintaining a passionate community of student and expert reviewers, I *agree to review* other students' manuscripts.

Sincerely,

Brent A. Mattingly, PhD
