I, W Scott Terry, supervised Meagan Padro's undergraduate research project and reviewed the resulting manuscript being submitted to UJOP. This project was Meagan's psychology honors research. My role was sponsor only. I attest that the Meagan Padro primarily executed the project. The research was conducted in adherence to APA ethical standards. Meagan also wrote the manuscript submitted. I reviewed and critiqued the manuscript on content, method, APA style, grammar, and overall presentation prior to submission to UJOP.

In support of UJOP's commitment to developing and maintaining a passionate community of student and expert reviewers, I agree to review other students' manuscripts.

Sincerely,

W. Scott Terry
